THE BACKYARD FARMER.

And now the backyard farmer
Rises early every morn
To plant the bulbous radish
And the lettuce and the corn
He is most enthusiastic
And he's up at half past five,
To hoe, and weed, and water,
And see how the onions thrive.

He is dreaming of the summer.
When the green peas will be ripe,
And he can have fresh salads
With his roast beef and his tripe.
He is thinking of the autumn,
And the big potato crop,
And he hoes, and weeds, and waters,
Till he really hates to stop.

His hoes, and weeds, and waters,
And the perspiration flows
Like a river from his forehead
And it drips down off his nose.
Happy, happy backyard farmer,
With his plantlets and his seeds,
"Though his crop this year, as always,
Will be principally weeds!"

Mr. C. C. Fogle of Lexington, one of the car-
penters at work on the Government Building

as about this time last year he fell from a
building and broke one of his legs.

THE POWERS CASE

Array of Attorneys Here to Argue Before Judge Cochran

Maysville, already historic, is today to add
another jewel to her crown.

For the first time in history, a session of the
Federal Court is now convened in the old-
fashioned Courthouse in this city, with a Mays-
ville Man presiding, to hear the arguments of
the most brilliant array of Attorneys ever
gathered here, and to determine the legal status
of a case that has already become National.

Judge A. M. J. Cochran at 10 o'clock opened
a session of the United States Court for the
Eastern District of Kentucky, to pass upon the
right of Caleb Powers to have his case trans-
ferred from the Kentucky Courts to the Federal
Court.

Court was opened by Captain Stephen G.
Sharp, United States Marshal, of Covington,
with J. C. Fennell, Clerk, of the same city.

The Attorneys present representing the Com-
monwealth are—

Hon. N. B. Hays, Attorney General of Ken-
tucky, Frankfort.

Hon. Robert Franklin, Commonwealth's At-
torney of Franklin County, Frankfort.

Hon. Lawrence Maxwell, Cincinnati.

Hon. Charles J. Bronston, Lexington.

The Attorneys for Caleb Powers are—

Ex-Governor Richard Yates, Springfield, Ill.

Hon. R. D. Hill, Louisville.

R. C. Kinkade, Louisville.

Judge J. C. Sims, Bowling Green.

Judge H. Clay Howard, Paris.

Arthur Goebel of Covington is also here.

In the arguments there will be none of the
pyrotechnical displays so common in state
Courts and before Juries; the Attorneys will be
confined to statements of Law; and when they
are done the learned Judge will write an opin-
ion—whichever way he decides the question—
that will be incorporated in the legal literature
of the world, and that will be quoted for gen-
erations to come.

The arguments will consume all of today and
probably a part of tonight, if not longer; but
the opinion may not be handed down for several
weeks.

COFFEE—MORAN.

The marriage of Mr. John J. Coffee of Jersey
Ridge and Miss Lillian Ethel Moran of Morans-
burg was solemnized at the Lawrence Creek
Christian Church last night amid the throng of
relatives and friends who had assembled to
witness the ending of a happy courtship.

Promptly at 8 o'clock to the sweet strains of
the Wedding March rendered by Miss Sallie
Laycock of Russellville, O., the bridal party
entered as follows: First the ushers, Messrs.
Charles Leslie Moran, Eldon Dwier Kilgore,
James Elijah Coffee and Walter Reed Richard-
son; next came the bride, leaning on the arm
of her Maid of Honor, Mrs. Noble Hughes. The
groom entered with his best man, Mr. Noble
Hughes, and proceeded to the altar, forming
a semi-circle under an arch of evergreen and
flowers tastefully festooned with white and
pink ribbons.

The Rev. G. H. C. Stoney of Murray in words
solemn and impressive repeated the sacred rites
which made the twain one.

The bride looked her sweetest in a stylish
gown of Paris mousseline with lace and ribbon
trimmings over which fell the bridal veil in
graceful folds, caught with lilies of the valley.
She carried a shower bouquet of bride roses.
Mrs. Hughes wore a handsome gown of cream
colored silk with lace trimmings and carried
white lilies. The groom and his best man wore
the conventional black.

After the ceremony the bridal party drove to
the home of the groom's mother where a wedding
supper awaited them.

The bride is the oldest daughter of Mr. and
Mrs. W. L. Moran of Moransburg and is regarded
as a very lovely character.

The groom is the son of Mr. John Coffee of
Jersey Ridge and is a young man of sterling
worth and most exemplary in every character-
istic which today forms true manhood.

Mr. and Mrs. Coffee were the recipients of
many useful and handsome presents. Their
many friends extend hearty congratulations
and trust that their lives will be little checked
with sorrows, but be full of sunshine.

HOFFER—STEWART.

Mr. Edward Hoffer, aged 27, and Miss Nora
Stewart, aged 21, both of Ohio, were married
in this city yesterday, Judge Newell officiating.

THOMAS—HALL.

Mr. George J. Thomas, aged 24, of Atlanta,
Ga., and Miss Elizabeth S. Hall, aged 21, of
this city, were married last evening at 8 o'clock
at the First Baptist Church, the Rev. T. C.
Stackhouse of Lexington officiating.

The bride is the eldest daughter of Mrs.
John H. Hall of this city, and the groom a
prominent young business man of the Southern
city.

The happy pair left over the C. and O. at
10:46 for an Eastern tour, after which they
will be at home in Atlanta.

WELLS—WIGGINS.

Mr. Albert R. Wells, aged 32, and Miss Lena
Wiggins, aged 35, both of Sardis, were mar-
ried yesterday at the County Clerk's office, the
Rev. Dr. John Barbour officiating.

TIEMAYER—HUGHES.

In Newport, last evening, at the home of the
bride's parents, Mr. George L. Tiemayer and
Miss Dora E. Hughes, the Rev. Bird Hughes of
Mt. Olivet officiating.

The attendants were Miss Ima Hughes and
Mr. Fred Hughes.

The bride is the youngest daughter of Mr.
and Mrs. George E. Hughes, former residents
of this city, and a most estimable young lady.

be found in another place.

JAPAN'S specie reserve stood at \$225,000,000—American gold value—on January 1st, 1905, after eleven months of costly war. It would be interesting to know how Russia's reserve will show up after she gets through paying Japan's war expenses.

THE last of the registered bonds of the state of Kentucky of the issue of 1885 were paid off last Saturday. There were ten of these bonds of \$1,000 each with \$200 accrued interest. This leaves the state debt only \$26,000 in coupon bonds. For all of which, credit belongs to Uncle Sam, whose Treasury furnished the money; and the remaining sum could have been paid, three times over, if the Frankfort Machine hadn't given Captain CALHOUN \$81,000 for collecting a debt that could just as easily have been collected by the State Treasurer at the cost of a 2-cent postage stamp.

THE considerable additions to the American Navy which were authorized by Congress in the half decade following the Spanish-American war, are beginning to have their effect upon the ranking of the great naval powers. Taking into consideration only ships actually ready for sea at the present time, the United States is the third naval power in world, England ranking first and France second, with Germany a close fourth. When the ships now more than half completed are finished, France will no longer be the second naval power in the world. The ranking will then be, England first, the United States second, with France and Germany well together in the contest for third place.

WHILE France is coquetting with the Russians, in violation of her agreement with Japan, here is the way Uncle Sam talks to Vice-Admiral Engrist, who put into Manila with some of his wounded warships—

"Time cannot be given for the repair of the injuries received in battle. Therefore the vessels cannot be repaired unless interned until the end of hostilities."

With usual obtuseness of the Russian character, the Ambassador at Washington asked the State Department what the above meant, when he was informed that Secretary of War TAFT had cabled to Governor WRIGHT the following hot tomale, which the Russians will probably understand without further diagram—

"Advise Russian Admiral that as his ships are suffering from damages due to battle, and our policy is to restrict all operations of belligerents in neutral ports, the President cannot consent to any repairs unless the ships are interned at Manila until the close of hostilities. You are directed, after notifying the Russian Admiral of this conclusion, to turn over the execution of this order to Admiral TRAVIS, who has been advised accordingly by the Secretary of the Navy."

IT LOOKS LIKE A GO

The Maysville, Carlisle, Millersburg and Paris Traction Road

After several conferences there was a meeting of business men from Paris, Millersburg, Carlisle and Maysville, held at the Central Hotel, this city, Monday night, and the first important steps were taken looking to the construction of an electric traction line from this city to Paris.

The proposed route will be about 60 miles in length, and must probably touch the towns of Washington, Mayslick, Mt. Olive, Blueicks, Carlisle and Millersburg, the exact course taken depending upon the inducements and advantages offered.

There has been considerable discussion of the construction of a line from here to Paris, and it is generally believed that the people along the line would do their full share in the way of donations of rights of way and contributions, and that when built that the road would not prove a losing investment. Such a road would be a great benefit, in fact a blessing, to the communities through which it passed. Its construction would be of great value to each of the towns it touched, and that it would help the business of Maysville more than anything else that could be done for her is conceded by all. But it is a big undertaking, and the gentlemen having the matter in charge are proceeding with care and realize the magnitude of the work ahead. It is understood that they have received assurances from substantial financial men of the East that the money to build and equip the road will be forthcoming when the rights of way and all local grants and franchises have been obtained.

Steps were taken at the meeting Monday night to see if this part of the work can be accomplished, and it will be determined within the next ten days whether or not it will be undertaken.

The meeting organized by selecting the following officers and Directors:

President—Hon. J. N. Kehoe, Maysville.
Vice-President—Henry A. Power, Paris.
Secretary—John Duley, Maysville.
Treasurer—W. W. Ball, Maysville.
Directors—Hon. J. N. Kehoe, W. W. Ball, Millard Merz, E. P. Browning, of Maysville, C. C. Cole and W. B. Ratliff of Carlisle, C. W. Howard of Millersburg and H. A. Power of Paris.

Another meeting will be held next week, and if the gentlemen mentioned above agree to assume the responsibilities of the under-

taking their energy and ability is sufficient to insure the success of the enterprise. But nothing can be accomplished without great sacrifices upon their part, and it is to be hoped that everybody that feels and interest in the future welfare of the community will lend early aid to the project.

Let us get these men to go at this work and make it a success. We need and will be greatly benefited by the road.

Latest News

Norway has declared her freedom from Sweden, and will be governed by the State Council.

During the late naval engagement the Russian battleship Orel was literally "shot to pieces" above the water line.

The word comes from St. Petersburg that Moscow is entirely cut off from communication, and that actual revolution exists in that ancient Capital.

It transpires that after the Russian battleship Orel surrendered some Russian officers and sailors tried to blow up the vessel. Japanese discovered the attempt and eight of the ringleaders were shot.

The Russian press, notably The Novoye Vremya and The Russ, display a great deal of resentment against the United States for enforcing the twenty-four hour rule in the case of the three Russian cruisers at Manila. The Russ says the President's action violates international law and declares it has official warrant for the statement that representations have been made to Washington on the subject. The Novoye Vremya declares that "President Roosevelt—whom it refers to as 'Mr. Roosevelt'—contaminated by England's example, arbitrarily interprets his own rules in a sense favorable to Japan," adding: "Mr. Roosevelt takes full advantage of the fact that Russia is helpless and powerless to do more than protest."

PASSING RAPIDLY

How Taps Are Sounding For the Civil War Veterans

Colonel C. F. Ainsworth of the War Department has figured it out that the Grand Army of the Republic will disappear in the following way—

Year	Supplies
1905	\$25,000
1910	\$25,000
1920	\$25,000
1930	\$25,000
1940	\$25,000
1950	\$25,000
1960	\$25,000
1970	\$25,000
1980	\$25,000
1990	\$25,000
2000	\$25,000

As Memorial Days come and go these figures are interesting ones to all.

The Colonel denies that the mortality rate is greater among old soldiers than among the rest of the people. He says it is lower, for the reason that the Government gives them the preference in many lines of employment, removing from them the strain and stress of competitive struggle. It also gives them pensions, which tend to give peaceful days to the old, and at the same time tends to prolong life.

Cuban Diarrhea.
U. S. soldiers who served in Cuba during the Spanish War know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon, as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhea Remedy cured my husband of a severe attack of Cuban diarrhea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all Druggists.

HAPPY WOMEN.
Plenty of Them in Maysville, and Good Reason For It.
Wouldn't any woman be happy. After years of backache suffering. Days of misery, nights of unrest. The distress of urinary troubles. She finds relief and cure. No reason why any Maysville reader Should suffer in face of evidence like this: Mrs. Lizzie Burns, living on the Blue Run Turnpike, West End, Maysville, Ky., says: "My opinion of Doan's Kidney Pills which I expressed through our newspapers in the spring of 1900 has not altered. I value this preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore I was troubled with severe spells of backache and kidney complaint, which came on every three or six months, and there were times when I was confined to my bed and rendered almost helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed slight returns of backache since, but an appeal to Doan's Kidney Pills has never failed to quickly and positively check the trouble. In every case I know among my friends when Doan's Kidney Pills have been used the results have always been satisfactory."
